## HAPPY NEW YEAR! WELCOME 2019!

To celebrate the New Year students thought about the New Year's Resolutions that they would like to make. Many were extremely thoughtful. Come take a look at them in the entrance hallway.

## TOMIE DEPAOLA AUTHOR STUDY

Mrs. Brands' students have started a study featuring the author and illustrator, Tomie DePaola. He has written and illustrated many children's picture books, including the Strega Nona series. Ask your child which story they liked the best!

On our new touch screen they watched as he explained how he became a children's book writer and an illustrator and he encouraged young children to follow their dreams.

## ATTENDANCE AT PROGRAM

If your child did not attend school for sickness, or any other reason please do not send them to program. Please wait until they are healthy and/or are ready to return to school.

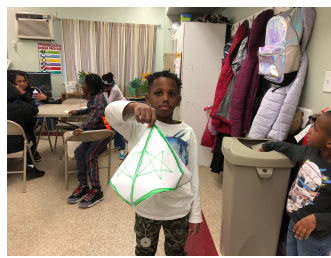

## EARLY DISMISSAL

On Wednesday, January 23 the program will dismiss students at 4:30. We are hosting an Open House for our donors and supporters to give them a hands-on understanding of our mission and why their support is so needed and valued.

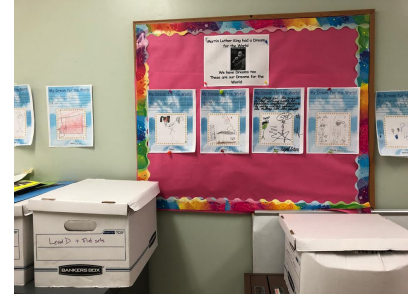

## STEM ACTIVITY MAKING A PARACHUTE AND TESTING IT OUTSIDE

Students in grades 3-5 made model parachutes and constructed them from Leonardo da Vinci's design. They tested their parachutes outside by dropping them from the top of the ramp.
