

TUBMAN TIMES

NEWS FROM K- 2 MOTHER'S DAY

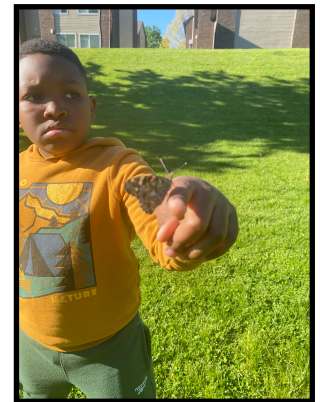

May, 2022

K-2 students celebrated Mother's Day by making a "vase" with a "bunch of flowers" as a gift to take home. On each petal they wrote ways that make their mother so special to them.

BUTTERFLY RELEASE

Both classes observed the complete metamorphosis of their caterpillars into beautiful monarch butterflies. The entire process took about two weeks. Then they eagerly took the butterfly container outside to release them into the clear sky. It was a very uplifting moment. Below, please see grades 3-5 celebrate this moment.

SOME REMINDERS

- **LAST DAY OF H.T.A.S.C IS JUNE 17**
- **REGISTER NOW FOR OUR SUMMER CAMP**
- **SPACES ARE LIMITED A REGISTRATION FORM IS REQUIRED**
- **REGISTRATION FORMS MAY BE OBTAINED FROM OUR CENTER OR THE LEASING OFFICE**

GRADES 3-5 MAKE EDIBLE, MARSHMALLOW PLAY DOUGH

They combined marshmallows, coconut oil and food coloring of their choice in the microwave, and then added cornstarch. Next they kneaded the dough into an edible ball. Finally they ate it! The best part!!
